Spring Term Courses

We are running a range of remote NCCE computing courses to support teachers this term. Courses are low cost (£35) or free and all can be booked via the Teach Computing website:

<https://teachcomputing.org/primary-teachers>

Primary courses

Teaching and Leading KS2 Computing Module 2 CE453

Skilfully combining a wide range of software applications and multimedia such as video, images and sound, you will be better able to support children in creative and engaging project work across the whole primary curriculum.

Thursday 14th January 13:00 – 14:10 (session 1 of 2)

Thursday 21st January 13:00 – 14:00 (session 2 of 2)

The fee for this equivalent full day primary course is £35

<https://teachcomputing.org/courses/CP453/teaching-and-leading-key-stage-2-computing-module-2-remote>

Teaching and Leading KS1 Computing Module 2 CE451

This course is designed to give you confidence in teaching the key stage 1 computing curriculum, including engaging ways to use software creatively, supporting other areas of the curriculum. You will also gain an understanding of how the computing curriculum relates to whole school online safety practice.

Wednesday 27th January 16:00 – 17:10 (session 1 of 2)

Monday 1st February 16:00 – 17:00 (session 2 of 2)

The fee for this equivalent full day primary course is £35

<https://teachcomputing.org/courses/CP451/teaching-and-leading-key-stage-1-computing-module-2-remote>

(These fees apply to teachers from an England state funded school. The fee for teachers working in independent schools is £220 per day)
